Government Turns Down Request

Application For New Hutterite Colony Here Not Approved

Official notification was received from the Alberta Communal Property Control Board on Wednesday, March 28, that the application of the Miami Hutterian Brethren of New Dayton for permission to establish a new colony south-west of Vulcan had been turned down.

As the result of the application being not approved by the Lieutenant-Governor-in-Council, the Hutterites can not purchase or otherwise acquire the 6,500 acres of land on which they hoped to establish a new colony. New legislation introduced this year prohibits further applications involving the same land for a period of three years.

A public hearing on the application was held by the Communal

Property Control Board at Vulcan on Feb. 21, at which time a brief opposing the application was presented by an elected Vulcan Citizens Committee composed of J. M. McKay, Chairman; R. C. R. Munro, secretary; M. R. Morrison, D. H. Galbraith and C. J. Versluys. Legal counsel for the Vulcan committee was Angelo J. Murphy of Vulcan. Briefs supporting the application were presented by William B. Gill, Calgary lawyer representing the Miami Hutterian Brethren, and Ross McBain, Calgary lawyer representing Western Canada Television Ltd., the company which obtained the options on the land in question.

Over 600 town and district residents attended the public hearing.

Westersunds Are Top Flying Farmer Family

The Varno Westersund family of Blackie is now Alberta's premier flying farmer family.

At the annual convention of the Alberta Flying Farmers, held in Calgary last week, Mrs. Juanita Westersund was crowned Flying Farmer Queen and was awarded a trophy by the Cessna Aircraft Corporation. Daughter Varnita was awarded \$100 by Foothills Aviation Limited as first prize in the "Al Ward Essay Competition" for her essay on early aviation. Her essay will now be forwarded to the International Flying Farmers Association for judging on the higher level. Varnita's \$100 prize goes towards flying lessons leading to her private pilot's license.

Varno Westersund, well known farmer and seed grower of the Blackie district, is executive secretary of the Canadian Flying Farmers.

New president of the Alberta Flying Farmers is Harvey Katterhagen of Rockyford and among the directors elected for two years are Lionel Lucas of Vulcan and Mrs. Con Peterson of Milo.

other countries." Mrs. Cragg mentioned some of the appalling conditions in India, where 17% of the people are always homeless and only 14% have homes of their own. Others live together or on the streets. A better way of life should be sought for these people and many others.

"As church women, we must know Jesus and to do this it is necessary to stress Bible study, give cheer, aid people who are lonely, unhappy, suffering or desperately afraid. They all need help. A program that will provoke thoughts and deeds should be followed."

The next meeting of the UCW will be held at the church on Wednesday, April 11 at 8:00 p.m.

U.C.W. Hears Talk On Missions

The March meeting of the UCW had a good attendance and all committees reported progress being made in the new organization for United Church women. A concise resume of the inaugural meeting in Knox Church, Calgary, was given by Mrs. R. L. Jamison. The speaker at that time was Mrs. Cragg of Edmonton, Alberta Conference representative on the Board of Church Women, who said: "It is not enough to raise money to help in the overseas mission fields; each person must be a part of that mission even though she never moves from her own locality. She must assess the need and be aware of what is happening in

75% Enrollment Required

Medical Services Associat'n Proposed

At a meeting held Wednesday, March 28, an application was prepared under the Societies Act to form the Vulcan Municipal Hospital District Health Services Association. Purpose of the association is the obtaining for residents and ratepayers of the hospital district, group privileges for M.S.I.

and Blue Cross insurance.

Preparatory work on this non-profit organization had been done by Frank Wythe, Vulcan hospital secretary who explained the project to groups and clubs with the recent meeting being attended by members of the Lions Club, Vulcan and Mossleigh Boards of Trade and two men from the Lomond district. A representative from MSI was present and outlined the program.

Group privileges for MSI will give a substantial saving over non-group status (which most farm folk and the majority of townspeople are in at present) and the only major obstacle to its successful application is that 75% of the residents of the hospital district or ratepayers of this district living in Alberta, must enroll.

This is not considered a serious problem as many in the area already have MSI on either a group or non-group basis and both categories can be transferred to the percentage total.

Another meeting will be held in the near future to set up by-laws for the association and appoint a board of directors after which a full scale canvass will begin. The Milo and Arrowwood districts were not represented at the Wednesday meeting but it is hoped the next meeting will see attendance from those areas.

Immediate coverage will be given members who join when the association is formed, otherwise a three month waiting period is effected.

There is no age limit required for MSI or Blue Cross and no medical is required. About the only stipulation applies to maternity cases in which there is a nine month waiting period.

D. L. (Doug) WILSON, left, president of the Vulcan District Board of Trade, and F. S. (Fred) Weatherup, president of the Lethbridge Chamber of Commerce, pose for the cameraman as they meet at the Board of Trade luncheon in honor of 25 visiting members of the Lethbridge Chamber.

Lethbridge C of C Group Here On Goodwill Trip

Twenty-five members of the Lethbridge Chamber of Commerce were guests of the Vulcan District Board of Trade on Wednesday, March 28, at a luncheon in the Vulcan Cafe, as part of their ninth annual goodwill tour.

Heading the Lethbridge delegation were F. S. Weatherup, president of the Lethbridge Chamber; A. C. Anderson, first vice-president, and Dennis O'Connell, secretary-manager. The group travelled by chartered bus.

The Lethbridge chamber members were welcomed to Vulcan by D. L. Wilson, president of the Vulcan Board of Trade, and by Deputy-Mayor G. C. Ness on behalf of the Town of Vulcan.

A concise report on the possibility of Vulcan area developments under ARDA, with particular reference to the Little Bow River water development proposal, was given at the luncheon by Clarence Roth, District Agriculturist. Development of the town, from its incorporation in 1913 to the present time, was traced by Douglas Smith. The facilities available to present-day residents in the way of education, hospital and health care, shopping and recreation were listed by Mr.

Free Maternity Care Discontinued

Free hospital care for maternity patients in the province of Alberta has now been discontinued by the government.

In accordance with the new regulations, charges at the Vulcan Municipal Hospital and Little Bow Municipal Hospital at Carmangay will be \$1.60 a day for mothers and \$1.00 a day for babies.

Jack Dietz Named County Chairman

A veteran councillor and former chairman of the municipal committee of the county, Jack Dietz of Milo was elected chairman of the County Council at the meeting held on Tuesday, April 3. He replaces J. E. Carlson of Champion, who was defeated in the Division 2 election last month. Mr. Carlson had served as chairman since the inception of the County in 1951.

Ivan Haga of Vulcan was named as vice-chairman and D. D. McQueen was reappointed as secretary-treasurer.

J. M. McKay of Brant was again named as chairman of the School Committee, with other county members being Andrew McAllister, Frank Thurber and Arthur Cutforth. On the school committee, Guy Voisey represents the town of Vulcan, W. V. Knight the villages of Champion and Carmangay and E. E. Burriss the villages of Arrowwood and Mossleigh.

Ivan Haga was named as chairman of the Municipal Committee, with other members being Donald A. McNiven, Frank Hubka, Marshall Willard and Arthur Ulrich.

Hospital Board Members
The County Council, by motion, adopted the method of appointing hospital board representatives instead of having them elected as members of the county council. J. E. Carlson was appointed to serve on the Vulcan Municipal Hospital Board, along with Councillors Ivan Haga, Donald McNiven and Robert Irwin.

Arthur Ulrich and Frank Hubka were appointed as County representatives on the Little Bow Municipal Hospital Board; Frank Thurber was named as representative on the High River Municipal Hospital Board and Jack Dietz will represent the County of the Basano Municipal Hospital Board.

Councillor Robert Irwin was again named chairman of the Agricultural Service Board. Other members of the Board are Arthur Cutforth, C. R. Walker, K. R. Miller and District Agriculturist Clarence Roth.

JACK DIETZ

Mrs. Janet Oakes Buried At Vulcan

Mrs. Janet Naomi Oakes, 57, beloved wife of George Oakes of Arrowwood, died at Vulcan on March 31, following a lengthy illness.

Born in Innisfail, she had resided at Arrowwood since 1943 and was a member of the United Church and of the Home and School Association.

Besides her husband she is survived by seven daughters, Mrs. C. (Muriel) Anderson of Champion, Mrs. (Janel) Whiteman of Swift Current, Sask., Mrs. Max (Betty) Hanna of Armada, Mrs. L. (Georgina) Bennett of Armada, Mrs. A. (Margaret) Mychasiw of Calgary, Mrs. G. (Helen) Weishlow of Calgary and Miss Cheryl Oakes of Arrowwood; three sons, Teddy, Billy and Bobby, all of Arrowwood; 13 grandchildren; one sister, Mrs. Alex MacDonald of Innisfail.

Services were conducted at the Vulcan United Church on Tuesday, April 3, at 2:00 p.m., by Rev. David Dickey, with interment following in the Vulcan cemetery. Vulcan Funeral Home was in charge of arrangements.

BRIAN HUBKA

Receives Scholarship

Brian Francis Hubka, son of Mr. and Mrs. Frank Hubka, Carmangay, has been awarded the Hawthorth Scholarship amounting to \$390.00. He won this award last June when he obtained the highest marks as a Carmangay student in Grade 12. Brian attended the Carmangay School from Grades one to 11 inclusive and then matriculated with an average of 82.8% from the Vulcan High School in June 1961. He is at present attending St. Joseph's Seminary, Edmonton.

Cost of operations and maintenance for Canada's armed forces in the 1962-63 fiscal years will be \$1,266,000,000.

Vern Haga New President

Season Is Over Down At Curling Rink

The curling season wound up last week with a mixed bonspiel and a wind up banquet with the election of officers for the Vulcan Men's Curling Club for next season.

Winners of the mixed 'spiel were the Bud Haverly foursome with wife Thelma and Orville and Mae Webb rounding out the rink. They topped Vernal and Mary Haga and Ken and Marie Stephensen quartette in the final of the first event. L. Huff of Lomond placed third and R. Wellman fourth. Second event honors went to Mel Jordan, Helen Haverly, Don and Ann Green who won over Pete and June Degenstien, R. Walker and Sylvia Didrickson. The third event was capped by the Emard rink of Mossleigh when they defeated the D. Watson rink.

Following the local mixed bonspiel there were six Vulcan mixed rinks who took in the windup 'spiel at Lethbridge over the weekend. Two of the rinks made the prizes with the Haverly-Webb combination making the semifinals of event one before losing and in event two it was the V. Haga's and H. Mensinger's getting to the fours and losing a close

decision to be eliminated.

At the annual windup banquet the square draw winning rink were presented with the C. W. Loose trophy and miniatures. The top foursome were Mel Jordan, Mike Jantzie, Don Green and Earl Brinton.

Vernal Haga was elected as incoming president, replacing past-president Bruce McKay. Vice-president elect is Mel Jordan; secretary-treasurer, Glen Graham; executive committee, J. Wolfe, S. Kehr, F. Wyatt, Russel Graham and D. Watson.

Fish And Game

Vulcan and District Fish and Game Association begins its 1962 activities with a general meeting, Wednesday, April 11, starting at 8:00 p.m. sharp with a wildlife film.

Business to be dealt with includes predator control and plans will be made for the annual Junior Pike Derby. Committees will be named and the year's program will be discussed. It is hoped to have a biologist

Services Held For Frank Anderson

Funeral services were held at the Carmangay United Church on March 24, 1962, at 2:00 p.m., for Frank Arthur Anderson, 22, who died at his farm home in the Champion district on March 17, as the result of an accident.

Surviving are his mother, Mrs. Helen Anderson of Carmangay; one brother, James, of Winnipeg; a half-sister, Mrs. Edna Butler, Spokane, and grandmother, Mrs. W. H. Miller, Lethbridge.

Services were conducted by Rev. William Morrison and interment was in the Carmangay cemetery, all-bearers were David B. Miller, Gordon Miller, Donald Miller, Andrew Scotter, Kelvin Seebeck and Vernon Soderquist.

Vulcan Funeral Home was in charge of arrangements.

from Edmonton as guest speaker and Steve Dixon, regional representative, will give a talk on the Operation of the Alberta Fish and Game and its many functions.

Queen's Scouts Receive Certificates

A very impressive Queen Scout Recognition Ceremony was held at the W. R. Meyers High School at Taber on Saturday, March 17.

Sixty-seven Scouts from the Southern Alberta Region were present to receive their Queen Scout certificates.

John Perrott, regional commissioner, introduced the Queen Scouts and their leaders to His Honor, Judge E. B. Feir, who presented the boys with their certificates. He addressed the Queen Scouts and the parents, in place of Lieutenant-Governor Percy Page, who was unable to attend. Also present for this occasion was Ric Clarke, regional supervisor. He urged the parents to take the ut-

most pride in their boys for qualifying for the honor of becoming Queen Scouts.

Guest speaker for the evening was Dean W. J. Cousins of the Lethbridge Junior College, who gave a very interesting and humorous account of his early Scouting days in Wales. He urged those receiving their certificates to be ready to enter the world and take their place as leaders.

Queen's Scout Parry Ellingson of Taber thanked Dean Cousins for his address and said the Queen Scouts accepted the challenge given them by the speaker, and on behalf of the Queen's Scouts thanked everyone for making the occasion such a success.

Those receiving Queen Scout

certificates from the Lake McGregor district were:

1st Lomond—Robert (Vern) Pearson, David Sande, Leslie (Ross) Ens, William Stannard. (Scout Master for these boys was Kjeld Pederson). Garry Sokvitne, Henning Pederson, Lelf Pederson, Gordon Fraser, Keith Goldthorpe. (Scout Master for these boys was James Foreman). Richard Thurlow. (Scout Master, Floyd Sande). The Lomond Queen's Scouts are shown in the picture above.

1st Champion—Robert Dow, Ernest Nowlin, James Anderson. (Scout Master for these boys, Donald Versluys).

1st Vulcan—Brenton Nickerson, Cecil Nickerson. (Scout Master for these boys Terrence White.)

 be given to all persons wishing it.

— ADULT POLIO BOOSTERS —

All adults who received the first three injections of poliomye-
 litis vaccine prior to and during the year 1958 are now due for
 their booster injection. These may be had free of charge at
 any of our Well Baby Clinics.

These well-baby clinics are held for the purpose of weighing
 and measuring infants and toddlers, and discussing any prob-
 lems with parents regarding feeding, training and general care.
 Your child should be immunized at the following times: Start-
 ing at three months of age, a series of four doses, three at
 monthly intervals and the fourth, six months later, of the com-
 bined vaccine containing diphtheria, whooping cough, tetanus
 and polio (D.P.T. Polio). A booster dose of the above vaccine
 should be given at three years of age. A further booster,
 Diphtheria, Tetanus and Polio (D.T. Polio) should be given
 prior to school entrance.

Smallpox vaccination should be started any time after three
 months of age and before the child is one year old with revac-
 cination taking place every fifth year thereafter.
 There is no charge at these clinics which are a service of the
 Foothills Health Unit.

CURRENT MEDICAL and public health information was provided for 15 Municipal Nurses attending a three-day conference at Edmonton conducted by the Alberta Department of Health's Division of Local Health Services. The nurses, representing Health Units throughout the province, were welcomed by Dr. J. Donovan Ross, Alberta

Minister of Health, and heard addresses by Department officials. Topics discussed included maternal and child care; disposable products; trends in TB control; vitamins and the role of the public health nurse in the dental health program. The annual conference concluded with a two-day Institute on Maternal and Child Health at

the University of Alberta. Shown at one of the classes are, left to right: Mrs. M. Janzen, Fort Vermilion; Mrs. E. A. Bennett, Lomond; Mrs. D. Smith, Director of Public Health Nursing; Mrs. M. Yaremko, Eaglesham.

Displays showing a variety of Alberta-made products will be available to Alberta fairs and exhibitions this year on a first come first serve basis. The displays, comprised of six double folding cabinets featuring samples of various Alberta manufactured goods, are being made available through the Industrial Development office and the Publicity Bureau of the Department of Industry and Development.

A test display visited several northern Alberta fairs last year and generated much interest from the public. Each fair has asked for a return visit this year. Two similar displays are being prepared, to leap-frog one another to give most coverage to Alberta's smaller communities during the height of the summer season. Each display features Alberta-made products

and is part of the government's campaign to foster patronage of goods made within the province. The displays are being made available without charge at the request of the various fairs, when suitable space in the major fair display building is made available without cost. Applications for the displays should be made to the Director of Publicity, Highways Building, Edmonton, Alberta.

District News

CHAMPION

Sympathy is extended to the family of Art Hopkins, who passed away on Friday of last week in Vancouver.

Mrs. Mervyn Smith and Maureen visited with Mrs. Smith's relatives in Lethbridge last week.

A Hall board meeting was held recently with the only change in officers being that of the secretary-treasurer. Mrs. Philip Fath is the new secretary-treasurer; anyone wanting to book the hall is asked to contact her.

Mr. and Mrs. Pete Olson and family moved to Warner on Friday where they will be making their home.

Mrs. Pete Olson was honored at a tea on Thursday afternoon at the home of Mrs. D. Clifford. A number of friends gathered to wish her health and happiness in her new home at Warner. Lunch was served by the hostess and Mrs. J. Hopkins.

Mr. and Mrs. John Petronich of Coaldale visited at the home of Mr. and Mrs. G. Petronich on Wednesday of last week.

Mr. and Mrs. Bill Diemert visited at Devon and Wainwright last week, at the home of their son-in-law and daughter Mr. and Mrs. R. Mollard. Little Debbie returned home with her grandparents for a visit.

Mr. and Mrs. Jock Marshman entertained at a supper party on Friday, March 30, in honor of Ed Marshman who celebrated his 70th birthday anniversary. Sixteen guests enjoyed turkey supper, two birthday cakes and home-made ice cream.

The Home & School sponsored a Recital held in the school auditorium on Friday March 30 by Pruegers Accordian College. A large crowd gathered to hear the two bands and several solo numbers, which seemed to be thoroughly enjoyed by all.

Grades one to four were entertained one afternoon last week when Ed Carlson showed them movies taken recently on their trip

to Hawaii. Grade three had been studying Hawaii, and were very much impressed by the films.

Mr. and Mrs. Don Buchan of Calgary are being congratulated on the birth of a 7 lb. 1 oz. baby girl, March 28. Name, Pamela Dawn.

Mr. and Mrs. O. Johnson have as their guest Mrs. Johnson's mother from Australia.

Brownie, Girl Guide Rally

Over 40 Champion Brownies, Girl Guides, leaders and parents motored to Calgary on Friday night to join with over 3,000 others from all over the province at a rally in the Stampede Corral in honor of the World Chief Guide Lady Baden Powell.

A very interesting program was provided by the Brownies, Guides, Cubs and Scouts of the Calgary district. Words of welcome were given by Mayor Hays of Calgary and the District Scout Commissioner for the Calgary area.

Lady Baden Powell captured the hearts of everyone in her address. She referred to the Guide Organization as one of the largest team efforts in the world and said that on her return to England and on her future travels she will always remember the wonderful rally in Calgary. This was her fifth visit to Calgary. The Brownies, Guides and leaders as well as the parents agreed that this was an evening they would never forget.

The leaders remained in Calgary on Saturday to attend the meetings which ended on Saturday night with a banquet, Lady Baden Powell once again being the guest speaker.

QUEENSTOWN

Congratulations go out to Bob Scott in winning recognition for his Russian Rye Grass at the Calgary Seed Fair.

A number of ladies attended a tea in honor of Mrs. M. Edwards, which was held in the Legion Hall on Tuesday afternoon. Afternoon entertainment consisted of a singing contest, a duet by Mrs. Marvin

Winch and Mrs. Gordon Boyd, and a sing-song. Mrs. T. Daw presented Mrs. Edwards with a tea pot on behalf of the Women's Institute.

Mr. and Mrs. Gordon Boyd made a rush trip to Bassano with their young son, Bobby, in the wee hours of the morning during the week. By the time they arrived at Bassano Bobby had recovered from his choking spells and the doctor diagnosed it as bronchial croup. Bobby, with medicine, was able to return home with his parents.

Sympathy is extended to Mrs. Sylvia Jones and family in the death of Earl Jones on Friday, March 31.

Roxanne Hellevang will be representing this district in the Odd-fellow and Rebekahs United Nation Public speaking contest which will be held at Cayley on Saturday, April 7. Winner of this contest will be leaving for New York in July to attend the United Nations and the runner up will attend the United Nations seminar at Banff. Best of luck goes out to Roxanne who has put many an hour into this project.

A good crowd attended the dance on Saturday evening in honor of Mr. and Mrs. M. T. Edwards and family who will soon be moving to Nanton. Everyone enjoyed the exceptionally good music which was followed by a lovely lunch at midnight. During supper hour John Papp presented Mr. and Mrs. Edwards with a coffee pot and a purse of money on behalf of their many friends, and to Jack a fishing rod. Mr. and Mrs. Keith Dawson of Parkland and family and Miss Eileen Edwards, of Calgary attended their parent's farewell party and spent the remainder of the weekend at their parent's home. Out-of-town guests were from Armada, Milo, Vulcan, Parkland, Calgary, Gleichen, Arrowwood and Cluny.

Legion rummage sale was well attended and proved to be a worthwhile effort.

TWO CLARESHOLM farm women are doing their bit for Civil Defence and have risen to the leadership of Claresholm and district CD organizations. They are Mrs. N. E. (Melba) Cochlan and Mrs. Gray (Peggy) Strang.

Mrs. Cochlan, who has four grandchildren, was appointed Civil Defence Director of the Municipal District of Willow Creek in April 1960 and makes a 32-mile round trip each afternoon, Monday to Friday inclusive, from the farm

to the office in Claresholm. She served as assistant director for the town of Claresholm for a year before her appointment and was chief radiological officer.

Arrowwood News

The community was saddened on Saturday morning to hear of the death of Mrs. Janet Oakes, in the Vulcan Hospital, after a brief illness. Deepest sympathy is extended to the family in the loss of a dear wife and mother.

The Booster Club held their regular meeting at the home of Mrs. Ella Hayes on Tuesday. It was decided to hold a bake sale on April 19. After the business meet-

ing, scrabble was played. Following this, Mrs. Hayes and Mrs. Margaret Talbot served a lovely lunch.

Congratulations are extended to Brownie Barbara Roberts on winning first prize in Cross 1 Knitting Group, at the Handicraft Competition held in conjunction with the Annual Guiders Convention over the weekend. This is top honors for Barbara for the province of Alberta.

The local teachers attended the Teachers' Institute in Vulcan on Saturday, where they were instructed in the new Arithmetic Course which will be put into effect for Grades 1 to 6.

The 4-H Beef Club held a party in the hall on Friday night. Games, contests and dancing were the evening's entertainment, followed by lunch.

The Berean Choir of 22 voices entertained at morning church services at the Gospel Mission on Sunday. Following the service, a lovely dinner was served to them.

Maureen Setters, Ralph Seeley, Donna and Jack Williams took part in the Cluny High School Bonspiel held in Gleichen on Friday and Saturday. They were successful in bringing home fourth prize in the third event, receiving wallets as their prize.

Mr. and Mrs. Bill DeWitt visited at Onaway for a few days last week, at the home of their daughter and family, Mr. and Mrs. Rusk.

Twenty-two ladies from Arrowwood attended the Fashion Show held in Mossleigh last Wednesday night, put on by the Betty Ann Shop and Bassett's Jewellery. The evening was much enjoyed by all.

Mr. and Mrs. Percy Stuhl and family of Calgary were Sunday visitors at the home of Mr. and Mrs. Leigh Williams. Also visiting there were Mr. and Mrs. Orlo Jeffries of Sundre and Mr. and Mrs. Phil Rogers of Hussar.

Mr. and Mrs. Russell Culp and Mr. and Mrs. Dan Jantzen and boys, have returned home after spending a month in California.

Mr. and Mrs. Garry Fraser spent a few days visiting with Mr. and Mrs. Arnold Fraser this past week.

Mrs. Harry Brown was a patient in the Vulcan Hospital last week

and Mrs. L. Long was hospitalized in Bassano. A speedy recovery is extended to both of them.

Special guest speaker at the Arrowwood United Church on Sunday was Mr. Franz, of the Blackfoot Reserve. He and his wife are working with the Indians, in translating the Bible into the Blackfoot language. His talk proved interesting to all.

Mr. and Mrs. Dale Hood and family have moved into the Gooch house in town, and the former residents, Mr. and Mrs. Bexte have moved into one of the Ingraham houses on main street. Mr. and Mrs. Reno Bexte have taken over the L. & F. Store, and moved into the living quarters there.

Mr. and Mrs. El Roth and family of Gleichen were Sunday visitors at the Setters home.

Mrs. Amos Ingraham spent a few days in Calgary last week, where she visited with Mr. Ingraham, and reports that he is feeling well.

Mr. and Mrs. Newt Schmidt and family of Hussar were Sunday visitors at the home of Mr. and Mrs. Howard Schmidt.

BROWNIE & GUIDE NEWS

The local Brownie and Girl Guide Organizations motored to Calgary on Friday to the Corral to attend a rally, at which Lady Baden Powell was present. Leaders of the Brownies, Mrs. Eleanor Oberholtzer and Mrs. Eunice Cockwill, and Guiders Gail King, Carolyn and Captain Ella Hayes attended the two-day conference held at the Palliser on Friday and Saturday.

Delegates from the association who attended were Mrs. Phyllis Williams and Mrs. Paulette Cochran. Mrs. Hayes also attended the Maple Leafers Reunion at the Palliser on Sunday.

One Reason For Unemployment

Out of all students attending school in the country, 51 percent of them leave before completing grade eleven. These sobering statistics in the field of education should give all intelligent Canadians pause for thought.

The reasons for student dropouts are many: inability of the student to assimilate high school subjects, eagerness of necessity to earn a living early in life, apathy in the classroom, failure to realize the greater opportunities afforded by a higher education, victim of a broken home, etc.

It is also true, as J. D. Campbell of the provincial government vocational department said recently, that 70 percent of the jobs available today are classified as "skilled." That is, they are openings for students who have a minimum of two years' training beyond grade 12.

Mr. Campbell says the obvious deficiency in labor has been filled, up to now, by immigrant labor. The problem remains with what's to be done with the thousands of unskilled workers who reach the saturated labor market with a grade eleven education or less.

One of the most obvious and satisfactory answers is for parents to see that their children obtain senior matriculation, and further training beyond that level if at all possible. The children and the country will be the better for it

MOSSLEIGH
The shareholders of the Mossleigh Telephone Company met Monday evening for their annual meeting. Representatives from all lines were present. Two new directors were appointed, Mike Samaroden for line 7 and Bruce Gateman for line 2, the rest of the lines have the same directors as last year.

The 4-H Girls held their March meeting in the Church Tuesday afternoon with all members present except one. Finals plans were made with regards to their Calgary tour. After a lengthy discussion, the girls decided to contribute a sum of money to the church to help pay for new velvets as their community project this year.

Joyce Hagedorn and Charlotte Koole gave a demonstration on manners, and Verna Samaroden and Lorna Hull gave an illustrated talk on trims.

Friends of Mrs. Nellie Boutland will be pleased to hear she returned home on Sunday after being a patient in the High River hospital for the past month.

Mr. and Mrs. Shindruck are leaving on Wednesday for Manitoba to spend the Easter holidays.

Margo Fisher spent Friday and Saturday at the home of Sharon Monroe.

Mr. and Mrs. Dave Dmytor and girls were Calgary visitors on Thursday.

Mr. and Mrs. C. Brown were Calgary visitors on Tuesday.

Later in the meeting, Mr. Burris asked a question in respect to Grade 10 and 11 students from Arrowwood. There were a certain number of parents who desired to have the opportunity to send their children to the Vulcan High School, although at a public meeting in Arrowwood the majority attending the meeting voted against the centralization proposals. The Committee was of the opinion that Mr. Burris and Mr. Green should tell their ratepayers and parents in these two centres to submit a petition to the School Committee for its next meeting, requesting that their children be allowed to attend Vulcan High School for Grade 10 and 11 as well as Grade 12 and request that arrangements be made to accommodate them. The matter could then be discussed by the Committee at the April meeting.

Discussion centred around the plans for the school at Carmangay effective September 1, 1962. Mr. Knight pointed out that the Carmangay parents were requesting that the high school be re-opened at Carmangay with a full slate of teachers and when it was pointed out that there were only 27 pupils

County Committees Meet

Discuss Consolidation High School Grades

At the regular March meeting of the County School Committee, Clarence W. Green acted as chairman in the absence of J. M. McKay and other members present were G. E. Voisey, Andrew McAllister, W. V. Knight, Arthur Cuthforth and E. E. Burris, along with School Superintendent E. K. Hawkesworth and Secretary-Treasurer D. D. McQueen.

The Committee discussed at some length the matter of consolidating the Grade 10 and 11 pupils in the Vulcan School as well as Grade 12 from Carmangay, Champion, Arrowwood, Mossleigh and Brant. Herbert Mumby, Principal of the Vulcan High School, was present at the meeting for a few minutes and told the Committee that provision could be made to accept a number of Grade 10 and 11 students which would include all those who reside west of Lake McGregor. Arrangements could be made to find a suitable place for the Industrial Arts and the present room being occupied by the Shop in the High School could be converted into two very good standard classrooms. This would provide ample room to take care of all the Grade 10 and 11 students in Carmangay, Champion, Mossleigh, Arrowwood and Brant. Mr. Mumby also explained the advantages in having the pupils under the same school during their entire high school career, that is, the Grade 10 and 11 students should be attending the school where they would eventually attend Grade 12 so that the standard of achievement would be suitable. It was also pointed out that, through no fault of the teachers or the pupils, many of the pupils coming to the Vulcan Grade 12 classes now are below standard in achievement due to the fact that the teachers are not able to give the time needed for adequate instruction. Mr. Mumby also pointed out that the high school course should follow three patterns, one industrial, one commercial and one academic. There would be three additional teachers required to put this program into effect. It was felt that many students are attending school now taking courses for which they are unsuited and if the avenues of learning were offered, students could obtain more satisfactory results from their high school work.

Out of this discussion, the following motion was passed: That the County terminate the Carmangay School at Grade 9 and operate it with five teachers, effective September 1, 1962.

Resignations from the County school staff, effective the end of this term, were received from M. J. Eliuk and Miss Mable Reath. The transfer of V. H. Wellman from the Mossleigh school to the Vulcan High School staff was approved.

Superintendent Hawkesworth reported that a shop teacher, David H. Fretwell, who was completing his teacher training this year under a bursary from the County of Lacombe, could be obtained for Vulcan by reimbursing the County of Lacombe in the amount of its bursary.

to attend Grades 10, 11 and 12 at Carmangay, that it would not be possible to provide adequate teaching instruction for this school. Mr. Knight felt that if the Grade 10 and 11 was not to be offered in Carmangay that these students should attend the Champion Grade 10 and 11, if Grade 10 and 11 was to continue to be taught at Champion.

At the March meeting of the County Council, the matter of a new assessment for 1963 was discussed with the assessor, R. Kotkas. A motion was passed that the assessor be instructed to make a complete new assessment in accordance with the assessment manual and that each parcel of land be inspected and classified.

The secretary was instructed to write the Crown Assets Disposal Corporation, confirming the County's offer of \$45,000 for the Vulcan airport.

A bylaw was passed to authorize the County to make Agricultural Relief Advances to necessitous farmers to enable them to put in a crop this year, each application to be on the prescribed form and every application to be presented to the Council as a whole for approval.

Council endorsed the movement to get the water flow increased in the Little Bow river as part of a program of water development in this area.

The preliminary school budget was discussed and the Municipal Committee's proposed program of road construction was approved.

sary, inasmuch as they did not at present require a shop teacher. An effort will be made to obtain Mr. Fretwell's services.

A question was asked in respect to the Haworth Scholarship Fund and it was reported to the Committee that a letter had been received from Mr. Patterson, Lethbridge, stating that he had been in communication with Judge Feir in respect to making a regulation for future guidance and that the matter was to be finally completed within a short time.

The Committee Members felt that in the meantime something should be done to award the scholarship for the 1960-61 school year, and it was moved by Mr. Knight and carried that the County award the Haworth Scholarship for 1960-61 to Brian Hubka who had the highest marks graduating from the Carmangay School area.

The 1962 Budget for school operations was presented for the information of the Committee and preliminary study. It was noted that the amount of Foundation Program Grant to the County of Vulcan this year was disappointing; and that a considerable increase in the requisition would be necessary if there was no contingency grant or special grants being offered.

Congratulations to Mr. and Mrs. William Benner (nee Marion Johnson) on the birth of their son in Calgary.

Mr. and Mrs. Alex Paul left on Saturday for Wallace, Idaho to attend the funeral services of Mr. Paul's brother-in-law who passed away very suddenly.

The CGT held a birthday party on Thursday following their regular meeting and enjoyed games and contests. Winning birthday presents were Lois Ririe, Gloria Soderquist, Pat Laqua and Joan Kumlin.

In the inter-club speaking finals for the Gladys district, Jim Litchfield of this club was one of those chosen to go to High River, April 3. Good luck, Jim.

4-H GRAIN CLUB

The organizational meeting of the Blackie 4-H Grain Club was held at the home of Herb Willoughby. Elected to office were: President, Jo Anne Raycraft, Vice-president, Terry Thompson, Secretary, Jim Litchfield, Treasurer, Orville Willoughby, Club Reporter, Barry Bricker, Leader is Mr. Willoughby and Assistant, Carl Litchfield. On the adult committee are Alvin Montgomery, William Thompson and Urban Bricker.

The first meeting was held March 27 at the Thompson home with 12 members attending. Main business was the hearing of the Public Speaking Contest speeches. Mr. Willoughby also took the names of those making rod rows and plots. Mrs. Thompson served a lovely lunch which was followed by a happy social hour.

LADIES' BONSPIEL

In a one day bonspiel held here by the Ladies Club, prizes were given to the four teams winning. Alice Thurber, Lorene McWilliams, Georgina Wollersheim and Vi Warner won the first event over Daphne Seney, Donna Lundquist, Florence Sultor and Madeline Swartz.

In the second event, Ann Woolridge, Marion Eamor, Lorraine Groneveld and Laura Humphrey won over Viv Westersund, Sharon Miller, Marg Glen and Connie Irving. Skipping the four losing rinks were Dorothy Paul, Hilda Stier, Sue Eamor and Margaret Montgomery. Dinner was served by the club members to the guests, all residents of Blackie and district.

ENSIGN

Mrs. Eric Thorp was a patient at an Edmonton hospital last week where she underwent surgery on her ear, all her friends wish her a speedy recovery.

Mrs. A. Turley and Art of Calgary were visitors at the Bill Turley home on Tuesday of last week.

Winners at the card party held in Ensign last Friday were Mrs. Clarence Mote and Jackie McFadden.

Mr. and Mrs. Dean Campbell of Edmonton accompanied by their two grandsons of Calgary were visitors at the Bert Larsen home on Monday of last week.

Deepest sympathy is extended to the Oakes family, from all their friends in the Ensign district, in their recent bereavement.

BIRTHDAY CLUB

Mrs. Lydia Flebotte entertained the ladies of the Ensign birthday club on Wednesday March 21. A very enjoyable evening was spent playing cards. Winners were Mrs. Irene McFadden, first, and Mrs. Ed Kennedy second.

A contest was held and won by Mrs. Florence Massam and Mrs. Liz Varty. Invited guests were Mrs. Ed Kennedy and Mrs. Doug Zebede of Vulcan.

A delicious lunch was served by the hostess.

the Answer is... GENERAL MOTORS ACADIAN

IF YOU WANT Pocket-Pleasing ECONOMY!

You'll rejoice at Acadian's budget-wise price... and the way Acadian travels on such a miserly amount of regular gas!

IF YOU WANT Head-Turning STYLE!

The simplicity of Acadian's clean, uncluttered lines lends an air of classic refinement to this good-looking car.

IF YOU WANT 6 passenger COMFORT

There's almost 5 feet of hiproom, with equally generous legroom and headroom both front and rear... plenty of space to seat six husky adults.

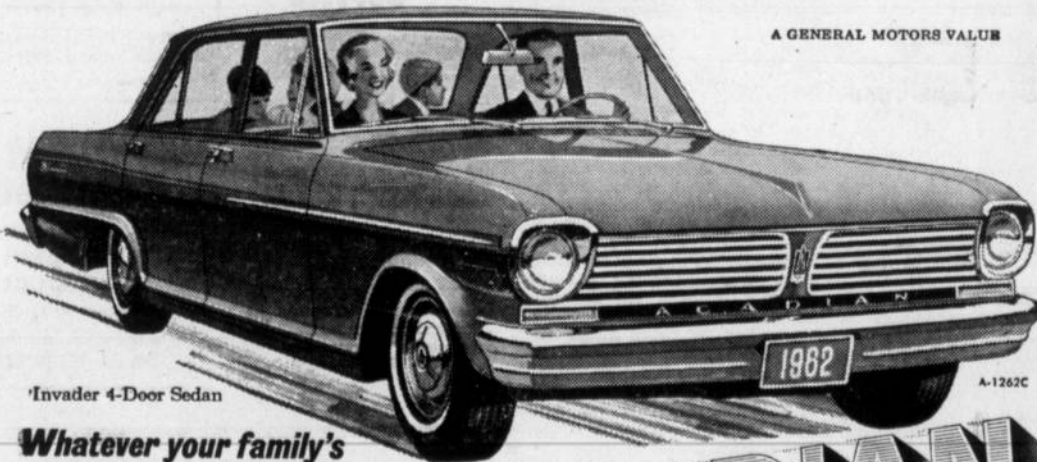

IF YOU WANT Easy, Nimble HANDLING!

Acadian's wheelbase is a trim 110 inches—long enough for comfort, but short enough to give you surprising agility in a car this roomy.

IF YOU WANT Thrifty yet Peppy PERFORMANCE!

Choose Acadian's 90 hp Econoflame 4-cylinder engine, or peppy 120 hp Econoflame 6-cylinder power.

April 7th Is World Health Day

PRESERVE SIGHT — PREVENT BLINDNESS
Theme For 1962

This little girl is suffering from a "lazy eye". Though not too serious the condition diminishes the child's vision and, if not arrested in time, may lead to weak-sightedness and even eventual blindness. The way to correct this is through exercises like the one she performs here. By covering the good eye she trains the lazy one to work properly.

A lazy eye is only one of a host of menaces to good vision a child runs in growing up. Of the world's 10 million blind people about 650,000 are children. Yet fully two-thirds of this global burden of blindness need never have occurred. It could have been prevented. Naturally, the best place to begin blindness prevention is with children.

It was in recognition of the tragic and unnecessary waste that blindness inflicts on the world's human and economic health that the 109 member states of the World Health Organization chose "Preserve Sight—Prevent Blindness" as the theme for the celebration April 7 of the UN specialized agency's fourteenth anniversary.

WHO Director-General Dr. M. G. Candau says: "With proper treatment by drugs and surgery, sight could be restored to millions who are now losing it; preventive measures can ensure that in the future the numbers of the blind will be a third or less of what they are today."

"It cannot be repeated too often that the cost of preventive services is only a fraction of what could be saved by reducing the burden which the blind inevitably represent for any country's economy."

McLEOD FAREWELL PARTY

A farewell party in honor of the Mel McLeod family, who are leaving to make their home near Olds, was held on Friday evening in the Community hall. The program consisted of a duet by Doreen and Vernon Soderquist; an accordion solo by Loretta Clark; music and singing by Don Hagan; Fashion show by the men; and an illustration of the McLeod's future home and friends. Bingo was played the first part of the evening.

Miles Letal presented Alvin and Vern with a gift from the scouts. Robert Clark presented a gift to Alvin on behalf of the grade seven and eight class. Loron Roemmell on behalf of the friends of the Community presented the McLeods with an automatic coffee maker and a purse.

The evening concluded with dancing, music being provided by the Shearer's orchestra.

SACRED HEART PARISH

Sacred Heart Parish of Carmangay held a very successful party on Sunday afternoon, March 18. Former members of the parish, Mr. and Mrs. P. Plourd and family from Lethbridge, and Mr. and Mrs. John West, Calgary, were welcome visitors.

Following a potluck supper many of those present took part in an interesting program. Father Marlen thanked the CWL for organizing this happy event and also the families for their co-operation. He read a message from Father LeBel, our first pastor, expressing his disappointment at not being able to attend but he sent his fondest greetings to all.

The evening closed with the singing of Holy God We Praise Thy Name.

PASTURE SERVICES REVIEWED

The prospects for an adequate supply of water in community pastures this year have improved in the last two weeks according to George Halladay, Superintendent of Community Pastures for the Prairie Farm Rehabilitation Administration.

Mr. Halladay made the statement in opening a two-day Pasture Managers' Conference in Regina being attended by Supervisors and Managers of P.F.R.A. Community Pastures.

Mr. Halladay said that the prospects for grass in pastures at present are not good, and that a favorable spring will be required to improve this situation. Due to the condition of pastures, some reduction in numbers of livestock accepted in pastures will be necessary for the coming year.

In reviewing 1961 pasture operations, he noted that it had been a difficult year due to widespread drought conditions. One hundred and forty-six thousand head of livestock were grazed in sixty-nine operating pastures—a new record.

The pasture superintendent said that over 2,100,000 acres of land have been developed for pasture under the P.F.R.A. program, and noted that this figure was increasing every year. He said two new pastures will be opened in Manitoba this year and two are under construction in Saskatchewan. Several additional proposals are now being considered.

District News

TRAVERS

Mrs. Ed Emelson along with Tom, Jerry and Dale, motored to Trochu for the weekend to visit Mrs. Emelson's mother, Mrs. Anne Meehan. Jerry and Dale went on to Edmonton where they will remain with their aunt, Mrs. T. Whyte for the next few weeks.

I. Benson has returned home from Lethbridge where he has been a hospital patient.

**W.I. GIRLS' CLUB
DISTRICT 4 CONFERENCE**

The WIGC District 4 Conference was held March 31, in the Elks Hall, Picture Butte. The District Director Elaine Sorgard, presided. Betty Hallahan of Warner Jolly Jones was secretary. The slogan chosen for the day was, "A

great deal of what we see depends on what we are looking for."

The program opened with "O Canada," the creed and flag salute, followed by the invocation given by Mrs. Dale Dunn. Welcome was given by Elaine Sorgard. Delegate reports from the different branches were most interesting and showed the girls have been busy during the past year. Entertainment from the different branches offered variety to the program and was enjoyed by all.

The special entertainment feature of the day was a display of about 45 dolls by Terry Watson of Travers Little Ladies. Terry spoke briefly on the history of dolls through the ages. She displayed a group of novelty dolls made from corn husks, cork, nuts, a star fish, etc. She also had a group of Indian dolls in authentic beaded costumes and an interesting group of international dolls from many corners of the globe. Of special interest was a 50-year old Rose O'Neill Kewpie and a 30-year-old Charlie McCarthy. The girls were especially interested in two action dolls.

An enjoyable lunch was served at noon by the Battersea WI.

The afternoon session opened with a get-acquainted and a sing-song period. Special guest, Mrs. M. G. Roberts, Drumheller, AWI provincial president, gave a lovely message to the girls. Mrs. H. G. Richardson, Didsbury, provincial Girls' Club convener was unable to be present.

Next came the public speaking competitions: Winners were as follows: Junior Class, Cynthia Dunn, Turin Twinkle Toes, with the title, "My Pets." Intermediate Class, Lily Larter, Lethbridge Northern Busy Bees, with the topic, "Amateur Dramatics Are For You." Senior Class, Terry Watson, Travers Little Ladies, with the topic, "Ageless Youth." The girls all received high praise from the judges for their improvement over last year. The constructive criticism given should aid the girls in future public speaking ventures.

Miss Elizabeth Bartman, Lethbridge District Home Economist, who judged the handicraft, made several remarks on good design and balance. She praised the girls highly for the improvement over the former year's work. Mrs. M. G. Roberts presented the three public speaking trophies and the handicraft trophy. The latter went to the Sundial Sunbeams.

The conference closed with

Trachoma:

Greatest Threat To Man's Sight

BEFORE

AFTER

It Can Be Cured

Trachoma is the greatest single threat to the world's good sight. An estimated 500 million people, one sixth the population of the earth, are afflicted with this serious eye disease. All of them suffer visual defects of one kind or another. To many trachoma brings progressive loss of sight. On some it inflicts total blindness.

Yet if treated soon enough trachoma is a relatively easy disease to cure, as the pictures of the little Indian girl above show. On the left she appears while still suffering from trachoma — eyes secreting and squinted with pain, vision already impaired. On the right she appears after a few weeks treatment with antibiotic ointments — pain gone, eyes and vision clear!

This little girl's case might be taken as symbolic of the problem of blindness around the world. For not only trachoma but the great majority of all infectious diseases of the eye that cause complete or partial loss of sight can be cured if caught in time. Better still, most can be prevented before they even begin.

There are some 10 million blind people in the world today. About 650,000 of them are children. Many researchers put the figures even higher, at around 15 million and one million respectively, say. But all agree fully two-thirds of this darkness need never have occurred.

Trachoma, smallpox, onchocerciasis, vitamin deficiency, cataract, glaucoma, and accidents are the great cause of most blindness. Glaucoma, is responsible for 11.6 percent of all

blindness in the United States, and 14 percent in England. In England 13,000 people have lost their sight through glaucoma, 30,000 in the United States.

And so it goes around the world. The human and economic damage blindness and partial blindness inflict on the world are beyond computation. In the United States alone yearly cost of welfare services and relief payments for the blind is estimated at \$350 million.

It was in recognition of the urgent and global scope of the problem that the 109 Member States of the World Health Organization selected "Preserve Sight—Prevent Blindness" as the theme for the celebration April 7 of "World Health Day," the 14th anniversary of the United Nations specialized agency's foundation in 1948.

In his message for the anniversary, WHO's Director General Dr. M. G. Candau says: "On this World Health Day I would urge governments, health administrations and people everywhere to review what is being done and what could be done to prevent needless loss of sight. The knowledge is there — it remains to apply it on a wide enough scale to protect the sight of millions who, without this help, are doomed to darkness."

and girls motored to High River to visit with Jack Smith and to wish him a happy birthday.

ARE MEDICINES EXPENSIVE?

There has been so much talk by publicity seekers and people who wish to exploit the sick. Here are the statistical facts.

THE AVERAGE COST PER PERSON PER YEAR FOR DRUGS AND MEDICINES IS ABOUT \$18.75

When you consider that the average person spends each year \$36.00 for tobacco, \$53.00 for alcoholic beverages, and \$24.00 for personal care in beauty or barber shops, surely good health is worth its medication cost.

AVERAGE PRESCRIPTION ABOUT \$3.25

Only about 15% of all prescriptions cost \$5 or more, while more than half sell for about \$2.00.

SO — WHY ALL THE EXCITEMENT?

How much could a discounter save you without cutting down the supervisory service that insures accuracy and potency. And, — if he sold you your first few prescriptions at cost or less, you know he would charge more on later ones for everyone must make a profit.

YOUR HEALTH IS MOST IMPORTANT.

We pharmacists will continue to dispense the best of potent, pure drugs and to devote all the necessary time needed to insure accurate compounding. Each prescription will be fairly priced.
